Notification of Public Notice

Enclosed are public notices issued by the SCDHEC Office of Ocean and Coastal Resource Management. All interested parties are allowed 30 days for major developments and 15 days for minor developments after receipt of the public notices to file written comments to the OCRM pertaining to the applications. Only those comments received within this period must be reviewed by the OCRM in processing the permit application. Any person wishing notification of the initial OCRM decision on any specific public notice must make written request within the designated review period for that public notice.

PERMIT APPLICATION PUBLIC NOTICE**

August 11, 2005

Permit Number: OCRM-05-173-S
Permit ID: 52750

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: SC Dept. of Transportation
c/o Arrowood Environmental Group, Inc.
1171 Montgomery Rd
Charleston, SC 29412

LOCATION: On and adjacent to Cowen Creek at US Hwy 21, Beaufort, Beaufort County, South Carolina.

WORK: The applicant proposes the permanent filling of 0.08 acres and the clearing of 0.03 acres of critical area which will require a direct critical area permit. In addition, the applicant proposes the permanent filling of 0.16 acres and the clearing of 0.002 acres of freshwater wetlands/waters of the U.S. which will require a certification. The purpose of the project is to widen a section of US Highway 21 on St. Helena Island, Beaufort County, South Carolina for the improvement of traffic safety. The applicant proposes to deduct 0.70 acres of mitigation from its regulatory agency-approved Black River Mitigation Bank to compensate for the unavoidable freshwater wetlands/waters of the U.S. impacts associated with the proposed project per a 4:1 mitigation ration for jurisdictional wetland fill and the 1:1 mitigation ration for jurisdictional wetland clearing as specified for the Savannah/Salkehatchie River Basin in the approved banking instrument. The applicant also proposes to purchase 1:1 off-site mitigation credits from the Huspa Mitigation Bank, East Marsh Area to satisfy the mitigation requirements for the critical area component of the project. The overall project purpose is to increase public traffic safety to accommodate the increasing traffic volume on US 21. This work is a candidate for authorization by the Army Corps of Engineers under Nationwide Permit 14.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

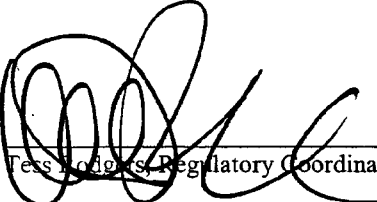

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before September 10, 2005. For further information please contact the project manager for this activity, Denise Sanger at 843-747-4323 ext. 114.

PERMIT APPLICATION PUBLIC NOTICE**

August 11, 2005

Permit Number: OCRM-05-186-E
Permit ID: 52831

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Henry W. Frampton III
PO Box 12537
Charleston, SC 29422

LOCATION: On and adjacent to James Island Creek at 693 Folly Rd., Charleston, Charleston County, South Carolina.
TMS#: 340-09-00-007.

WORK: The work, as proposed and shown on the attached plans, consists of making additions to an existing dock. A 10' x 12' roof will be added to the existing pierhead, the existing 9.5' x 16' floating dock will be replaced with an 8' x 16' floating dock, and a single-pile boat lift will be added to the right of the pierhead. The purpose of the proposed activity is for private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

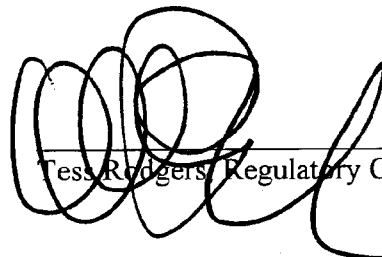

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 26, 2005. For further information please contact the project manager for this activity, Bill Eiser, at 843-747-4323 ext. 120.

PERMIT APPLICATION PUBLIC NOTICE**

August 11, 2005

Permit Number: OCRM-05-211-R
Permit ID: 52957

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Randall Miller
C/O Hussey Gay Bell & Deyoung
PO Box 1771
Mount Pleasant, SC 29465

LOCATION: On and adjacent to Martin Creek at Lot 5 Martins Creek Subdivision, Wando, Berkeley County, South Carolina.
TMS#: 268-00-00-087.

WORK: The work as proposed and shown on the attached drawings consists of constructing a dock. The applicant seeks to construct a 4' x 85' walkway with handrails leading to a 12' x 6.5' pierhead. Floodside of the pierhead, a 5' x 16' floating dock will be accessed by a ramp. Ebbside of the pierhead, a single pile boatlift is proposed. The work as described is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 26, 2005. For further information please contact the project manager for this activity, Tess Rodgers at 843-747-4323 ext. 116.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

August 11, 2005

Permit Number: OCRM-05-212-R
Permit ID: 52958

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Rex Thompson
C/O Hussey Gay Bell & Deyoung
PO Box 1771
Mount Pleasant, SC 29465

LOCATION: On and adjacent to Martin Creek at Lot 4 Martins Creek Subdivision, Wando, Berkeley County, South Carolina.
TMS#: 268-00-00-087.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. The applicant seeks to construct a 4' x 40' walkway, with handrails, leading to a 12' x 6.5' pierhead. Ebbside, a ramp will access a 5' x 16' floating dock. Floodside, a single pile boatlift is proposed. The work as described is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

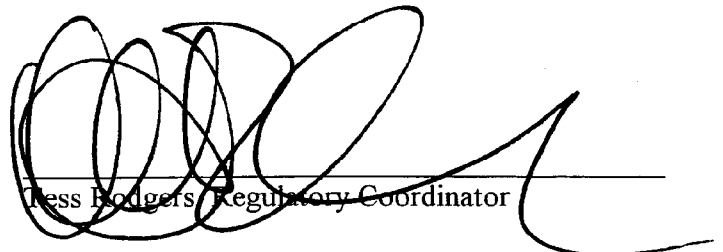

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

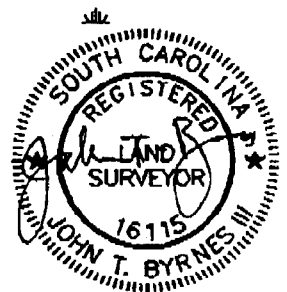

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 26, 2005. For further information please contact the project manager for this activity, Tess Rodgers, at 843-747-4323 ext. 116.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

August 11, 2005

Permit Number: OCRM-05-213-R
Permit ID: 52959

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Wayne Edge
C/O Hussey Gay Bell & Deyoung
PO Box 1771
Mount Pleasant, SC 29465

LOCATION: On and adjacent to Martin Creek at Lot 6 Martins Creek Subdivision, Wando, Berkeley County, South Carolina.
TMS#: 268-00-00-087.

WORK: The work as proposed and shown on the attached drawings consists of constructing a dock. The applicant seeks to construct a 4' x 229' walkway, with handrails, leading to a 12' x 6.5' pierhead. Floodside, a 3' x 10' ramp will access a 5' x 16' floating dock. Ebbside, a single pile boatlift is proposed. The work as described is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 26, 2005. For further information please contact the project manager for this activity, Tess Rodgers at 843-747-4323 ext. 116.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

August 11, 2005

Permit Number: OCRM-05-214-R
Permit ID: 52960

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Cy Goforth
C/O Hussey Gay Bell & Deyoung
PO Box 1771
Mount Pleasant, SC 29465

LOCATION: On and adjacent to Martin Creek at Lot 7 Martins Creek Subdivision, Wando, Berkeley County, South Carolina.
TMS#: 268-00-00-087.

WORK: The work as proposed and shown on the attached drawings consists of constructing a dock. The applicant seeks to construct 4' x 224' walkway, with handrails, leading to a 12' x 6.5' fixed pierhead. Ebbside, a 3' x 10' ramp will access a 5' x 16' floating dock. Floodside, a single pile boatlift is proposed. The work as described is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 26, 2005. For further information please contact the project manager for this activity, Tess Rodgers at 843-747-4323 ext. 116.

PO Box 746
Mount Pleasant, SC 29465-0746

LOCATION: On and adjacent to Haulover Creek at Seabrook Island Rd, Johns Island, Charleston County, South Carolina.

WORK: The work, as proposed and shown on the attached plans, consists of replacing the existing 10 inch water main, which runs from the St. Johns Water Company main line to Seabrook Island, with a 20 inch water main that will supply water to the residences of the Town of Seabrook Island. The pipe will be installed by trenching, placing pipe, backfilling and grading to the existing elevation. A critical area ditch (0.0029 acres) and a jurisdictional freshwater ditch (0.0064 acres) will be temporarily impacted. The overall purpose is to replace an outdated and undersized water main with a new water main to supply the growing population within the Town of Seabrook Island.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before September 10, 2005. For further information please contact the project manager for this activity, Denise Sanger at 843-747-4323 ext. 114.
